Players Pledge

We the players of the Channel Islands Volleyball Club are the primary representatives of the Club. We fulfill our role by practicing hard, playing hard, and showing respect for our teammates, coaches, opponents, officials and the parents who are responsible for our well being when traveling. We need to be aware of commitments to our teams and focus our efforts during the season on improving both our individual and overall team performances. We pledge to attend all of our practices and our tournaments during the course of the upcoming club season. We pledge these things to our teammates, coaches, parents and the Channel Islands Volleyball Club.
